## DECLARATION, POWER OF ATTORNEY, AND PETITION

To The Commissioner of Patents and Trademarks:

COPY OF PAPERS  
ORIGINALLY FILED

I, Robert B. Eldridge, declare:

that I am a citizen of the United States of America residing at and having a post office address of P.O. Box 5612, Borger, Texas 79007;

that I have reviewed and understand the contents of the attached specification and claims and I verily believe I, Bruce B. Randolph, and Richard L. Anderson are the original, first, and joint inventors or discoverers of the invention or discovery in **TRANSPORTATION OF HYDROGEN FLUORIDE** described and claimed therein and for which a patent is sought;

that this application is a continuation-in-part of our pending prior application Serial No. 08/234,453, filed April 28, 1994;

I acknowledge my duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37 Code of Federal Regulations § 1.56;

I acknowledge my duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37 Code of Federal Regulations Section 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this continuation-in-part application;

that no application for patent or inventor's certificate corresponding to this application or to said prior application has been filed by us or our representatives or assigns in any country foreign to the United States of America except as listed hereafter;

Canadian Application Serial No. 2,141,492, filed January 31, 1995, and other subsequently filed applications;

and I hereby appoint Edward L. Bowman, Registration No. 27,116; Beverly M. Dollar, Registration No. 32,870; John M. Fish, Jr., Registration No. 25,863; Bion E. Hitchcock, Registration No. 26,613; Lynda S. Jolly, Registration No. 32,736; Jack E. Phillips, Registration No. 19,903; Allen W. Richmond, Registration No. 28,662; and Charles W. Stewart, Registration No. 34,023; who comprise the firm of **Richmond, Phillips, Hitchcock & Fish, P. O. Box 2443, Bartlesville, Oklahoma, 74005**, Registration No. 20,286; and Archie W. Umphlett, Registration No. 25,935, each attorney a member of the Bar of the State of Oklahoma or the District of Columbia; my representatives with full power of substitution and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith.

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

Wherefore I pray that Letters Patent be granted to Phillips Petroleum Company, a corporation organized and existing under the laws of the State of Delaware and domiciled and having an office at Bartlesville, Oklahoma, as assignee, for the invention or discovery described and claimed in the foregoing specification and claims, and I hereby subscribe my name to the foregoing specification and claims, declaration, power of attorney and this petition.
